Our MISSION

JumpStart's mission is to inspire Cedar Rapids children to reach their educational potential by teaching vital lessons in leadership and academics—through the support of mentors and role models—as part of free sports programming at the Robert W. Plaster Athletic Complex.

UNIVERSITY

The BENEFITS

Facilities

Through the JumpStart program, the Robert W. Plaster Athletic Complex will be available to local social service agencies and neighborhood organizations for their own programming, free of charge.

Camps & Clinics

Children and youth identified by partnering social service and neighborhood organizations will have the opportunity to attend free camps and clinics hosted at the Robert W. Plaster Athletic Complex.

Summer Programs

Mount Mercy students lead a robust summer evening program, developed using athletics and mentoring as tools to leverage academic potential for local children and youth.
